

## **RULES AND HANDICAP REPORT**

**2015**

**As we come to the close of the current WMSGGA golfing season, I would like to stress the importance of posting all your scores, good or bad in order to establish a correct handicap. If you are on the GHIN system, all your away scores, be it Florida or any other place in the winter month, will automatically be posted. If on any other Handicapping system please post them on your return to Maine.**

**We will have a new Handicapping committee next year, who will be checking all the postings other than the scores for state tournaments. It has come to our attention that a few golfers are negligent about adjusting and or not posting at all. It will be monitored next season. If you are interested in joining this committee, please let Sherrie Thomas know.**

**Enjoy the rest of the year with the special tournaments.**

**It is always my suggestion to read and brush up on the Rules of Golf.**

**Respectfully submitted**

**Ilse Pfander**
