

2016 WMSGGA Hospitality Chair Report

Hospitality took 11 requests for cards and words from WMSGGA for various reasons during this 2015/16 season. Hospitality acknowledges its members' illnesses, losses, achievements, appreciations and whatever else the members deem necessary. However, it is up to the members to let the hospitality chair know when someone should get a card in order for members to be recognized. As I mentioned, eleven of our members received some word from WMSGGA, but I am sure there are more of you out there that would have welcomed a card of support. Members must contact the chair for this to occur.

Respectfully submitted
Carole Cook
