

## **2016 WMSGGA Rules Chair Report**

As the season comes to a close, I would like to make a suggestion. We should combine the rules committee with the handicap committee to make it one. We have a good group of ladies that would be more than capable to serve on such a committee.

I am officially resigning as chair of the rules committee since I am only here in Maine for three summer months. Thank you to all my committee members – I have enjoyed working with each of you over the years.

*Respectfully submitted*  
*Ilse Pfander*
