

WMSGGA 2017

PRESIDENT'S MESSAGE

4 October 2017

WMSGGA Members

This note is to let you all know that I will be signing the Agreement for the Acquisition of WMSGGA by MSGA today – Wednesday, October 4 – at their office at Val Halla in Cumberland. Coverage about the signing will be released by the press, so look for it in your local newspaper.

One thing we have been working on is providing a smooth transition for the vouchers that you have earned.

- Any unused 2015 vouchers have been donated to the Janet Drouin Fund.
- We are waiting to see how any unused 2016 vouchers, with a redeemable ending date of December 31, will be handled after January 1, but I strongly recommend that you use them up by the end of this year.
- The new 2017 vouchers will become part of your account with the MSGA. I will have further information on how you can use those credits.

We will not be using paper vouchers going forward. Instead, you will have an account number with the MSGA that will keep track of your winnings.

Stay tuned for more updates as we move forward with our transition.
