

WMSGGA 2013

BY-LAWS COMMITTEE REPORT

WMSGGA By-Laws have lain fallow in their updating since Janet Drouin last had the task. President Trudy Dorval asked me to undertake the updating and recording of both By-Laws and changes in practices and procedures as affirmed by the WMSGGA Board.

Current activity is centered on finding the changes that have been voted on by Members and affirmed by the WMSGGA Board. Once the changes have been identified they will be submitted to the WMSGGA Board for clarification and affirmation.

Anyone who has served on the Board or on a Committee that has effected changes in the WMSGGA By-Laws, and/or has records of changes in By-Laws, notes from Annual Meetings, Committee meetings, etc., should send or email copies of those records to Meriby Sweet (meriby@ropewalk.com).

Goals for next year:

- Create an electronic archive of all changes to By-Laws of WMSGGA
- Disseminate those changes to Members of WMSGGA

Respectfully submitted,

Meriby Sweet
